

How to effectively on-board your new governors

Access your free content

We know there can be a lot to do when new governors join your board; that's why **The Key for School Governors** is here to take the stress out of the induction process. Access your unlocked resources this autumn term to keep on top of everything you and your new governor/s need to do:

- > [How to induct a new governor effectively](#)
- > [New governor induction checklist](#)

Plus, here's a sneak peek at a popular resource that's included with **membership**:

- > [Autumn term 2021 agenda items and how to prepare](#)

Why not register for a free trial on The Key for School Governors?

Get access to **5 free resources** of your choice to download, print and share with your colleagues. Plus, you'll have the chance to look around our library of practical resources, governor training courses and much more.

Does your board use GovernorHub?

The Key for School Governors is part of the same family of products as **GovernorHub**. We're currently evolving to make it even more seamless to use both products together, and to purchase a joint subscription. We'll keep you posted!
