GovernorHub is a set of board tools **designed by governors, for governors** which helps your board work together better, keeps members connected and provides a ready-made body of evidence for when you need it most.

Our short video explains what GovernorHub can do for your board and how it can help you to make a difference in our schools. *Get in touch with us at support@governorhub.com if you'd like to find out more.*

"I absolutely love this software. It's fantastic, simple and easy to navigate and very user friendly." **Governor**

"Feedback on GovernorHub is very positive across our schools; it's really a big help in keeping us organised." **MAT Operations Director.**

The Key for School Governors gives you access to more than a thousand practical articles, on-demand training courses and hundreds of model policies all from *within* your GovernorHub account.
